Associate Membership

Please list key products you supply

Additional Membership Information

The information requested below would be helpful in determining the strength of this Federation, so your co-operation would be of immense value. Policy makers often can't appreciate the contribution our industry makes to employment or to the locally manufactured vehicle population in New Zealand. Unfortunately, our voice is only as strong as our contribution. The individual details will remain confidential with the secretary.

Number of years in business	Number of employees
Number of trailers built per annum	Number of Apprentices
Number of truck bodies built per annum	Number of certified welders
